# Asset Insurance

Land Bank Insurance Company provides short term insurance solutions to all agricultural activities within South Africa. The products focus on catering to the insurance needs of the agricultural sector. Your personal and farming assets under one policy.

## Farming assets

- Buildings and structures.
- Irrigation systems.
- Electronic equipment.
- Vehicles, including trucks, tractors, harvesters, trailers and other attachable implements.
- Public liability, including spread of fire and droving and straying of animals.
- Silos and their contents.
- Walls, boundary fences and gates.
- Goods in transit.

## Other commercial risks included:

- Money
- Business interruption
- All risks
- Machinery breakdown
- Theft
- Glass
- Pedigreed animals
- Loss of profits machinery breakdown

## Personal assets

- Domestic buildings.
- Thatch roofs.
- Personal all risks.
- Domestic contents.
- Vehicles including trailers and caravans.
- Personal liability.

## Farmers' assets are the lifeline to their business.

Land Bank Insurance intermediaries will conduct a comprehensive needs analysis with the farmer to understand the best possible cover for all their insurance needs. A competitive quotation and advice on the right cover available to suit the farmer's needs will be provided.

## Personal Service

A dedicated and diverse team of sales consultants and intermediaries will provide assistance throughout the farmer's experience with Land Bank insurance. A team that pro-actively engages in the advancement of their insurance experience.

Claims are processed and settled in an efficient and fair manner; constantly adhering to the principles of treating customers fairly.
